

Maritime-connector.com launched!

Maritime-connector.com and Nexus d.o.o. acts as internet advertising portal allowing to registered seafarers services as follows:

Activating an interactive electronic resume form which presents the seafarer to the registered maritime companies or agencies who are looking for new candidates through the resume database.

Possibilities for:

- accessing and searching thorough the posted adverts of sea-going jobs
- sending an application for a posted advert by sending the already prepared resume
- access to information about the institutes for educating seafarers
- access to information about the centres for seafarers' certification
- access to and browsing through news from the maritime business world
- receiving offers for sea-going jobs on your personal e-mail address
