

Corporate sailing

Celebrate the signing of important contracts, the anniversary of your firm or any other important event with sea and sail. Make your corporate identity stronger and assure your clients, suppliers and partners of excellent opportunities for business networking.

Celebrate the signing of important contracts, the anniversary of your firm or any other important event with sea and sail. Make your corporate identity stronger and assure your clients, suppliers and partners of excellent opportunities for business networking.

Give them an experience in specially organized regattas tailor-made to your needs and wishes. Whether it is one day or several days sailing, the Adriatic Team workshop will make an offer for your guest's relaxation and interaction with an unimposing organization, excellent Mediterranean cuisine and beautiful landscapes, and in all of this you and your company will get the credit.

You can choose from ready made packages from our corporate sailing program or simply ask us to create a special package for you, which can contain any of the following:

- Entertainment program
- Audio-visual communication
- Special effects, such as fireworks
- On-site organization
- Corporate gifts
- Translators
- Audio-visual equipment
- Insurance
- Organization of competitions
- ...and all manner of varieties

If you have a requirement for something specific, please contact the Adriatic Team workshop and challenge our creativity.
