

## Sailing Yachts Premium

Sailing yachts that are grouped in the Premium category are selected for the quality of the interior and the deck, a touch of luxury, the equipment available onboard and ofcourse, by their great level of safety in navigation.

All yachts from this category are produced after year 2003, which makes them very interesting for our Corporate Sailing programs. The vessels are exceptionally presentable and they will efficiently communicate your companys' values such as quality, inovation and customer oriented.

Number of crew members of each yacht depends on its size, on duration of the sailing program and on the type of activities during the program.
